AROUND OUR

SCHOOL IN 180 DAYS

There are 180 days in each school year. This time is to be spent by the students acquiring knowledge. For it is what they learn here that will make their mark as good citizens, healthy and prosperous.

On the following pages you will see: *the faculty and administration*, dedicated men and women pledged to instruct and share their knowledge with their pupils; *the seniors*, who will graduate this year; *the classes*, looking forward to the day when they will be seniors; *the activities*, which help round out the social character of the students; and *the sports*, which give our students their recreation and relaxation.

It is with great pleasure that we present the 1962 STYLUS. We hope that you will enjoy looking at this book through the years and the memories, which in time may fade, will not vanish completely.

PRESENTING . . .

THE FACULTY AND ADMINISTRATION

On the following pages you will see the members of the faculty, people who have dedicated themselves to the momentous task of educating Windber's youth. Those graduates who become successful are, in a way, a tribute to the efforts of their teachers. For they know that they have had a large part in preparing them for adulthood.

CLYDE E. BOUNDS
Superintendent of Schools

Clifford Wissinger, Alex Atty, Joseph Hobba, Vaughn Horner, Lloyd Shank, Clyde E. Bounds, Paul Fike, standing; and sitting, Ruth Tressler, Mary Shaffer, Sara Weaver, Michael Serrian, Thomas Senella, Stephen Conjelko, Carl Lawhead, Angelo Stefano, George Lamb, Irwin Weaver. Absent when picture was taken were, William Mayer, William Phillips, Hobart Sherlock, Michael Dzurko, Dwight Foust.

SCHOOL BOARD

"Is it beneficial to the school?" This seems to be the slogan of the current Windber Area School Board. Although the main problem of the school board is handling the financial difficulties of the school, it is constantly and busily working on new ideas that help improve the school, establish a high standard of education, and promote young capable students to the degree of citizenship. The school board members should be lauded for their successful achievements on these problems that arise in the school system.

Officers of the Windber Area School Board are: Michael Serrian, Treasurer; Thomas Senella, President; Stephen Conjelko, Vice-president; Carl Lawhead, Secretary.

PRESENTING . . .

THE SENIORS

Here are the seniors who will graduate this year. They have worked hard for twelve years and their efforts will be rewarded with a diploma. But this diploma should be merely a reward. It should be an incentive, spurring them on to even higher rewards.

Even the teachers will have a good time.

Time out, folks!

Time to eat!

The court joins with the king and queen and dances.

VARSIITY "W" DANCE

The king and queen of football with their entire royal court.

Janie Yankowsky and Charlie Farbo are crowned king and queen of football by Joanne DiGuilio and Leonard Mayer.

These couples enjoyed dancing to the music of Jerry Grey Orchestra.

"I'll build a dollhouse"

Where's the phone?

Race to the "chow" line!

WINDBER AREA HIGH SCHOOL SENIOR BAND

Our Senior high band is comprised of 115 members and is directed by Mr. Louis Guisto. Through the hard work of Mr. Guisto and the band members, it has received high praise for the half time shows at the football games, only one of its many activities. Features this year were entitled "Saturday Spectacular," "Ladies Night," "Wheels," "The Civil War Centennial," and many other spectacles. You heard such million dollar hits as "Never on Sunday," "The Theme from 'Exodus'," "Wheels," "Night Train," and scores of others.

The Windber high school band has raised the culture of the community by bringing in such artists as Rafael Mendez, world renowned trumpet virtuoso, and by offering many seasonal concerts such as the presentation of the "Youngstown Concert Band" for the enjoyment of the public.

Various projects for money raising included the hosting of county and district bands, candy drives, record hops, and various concerts and cultural programs.

Windber high and the community owe a debt of gratitude to Mr. Guisto for his work in bringing up the band until it has reached the status of one of the best bands in the state.

The Windber Area Junior High School Band, under the direction of Ernest Papinchak, has done much for the students of Windber High and the people of Windber. Every year the lower classmen who make up this band practice long hours to prepare for such events as the Halloween Parades, the Fourth of July Parade, the home games of the Windber Junior High football team, or a special occasion such as honoring the war dead on Veterans Day.

Mr. Papinchak is doing an outstanding job in preparing these musicians for future positions in the Senior High Band, while also giving them the personal satisfaction of learning how to care for and use a fine musical instrument. The clean white shoes and clean neat uniforms along with fine music creates a very good reason for pride in our Junior High Band by every high school student at Windber.

DISTRICT BAND

Two hundred and two musicians on stage, representing the elite of forty-eight high school bands from the six county district, attracted a tremendous audience in Windber Area High School auditorium on Friday, January 19, and Saturday, January 20. On the latter date a "standing-room only" musical-minded audience enjoyed the spectacle, which included William Caruth, head of the Music Department at Concord College, Athen, West Virginia, as guest conductor.

The concert members presented a well polished program ranging from marches to light opera and classical numbers.

Mr. Louis Guisto, Windber's outstanding senior high band director, and Mr. Ernest Papinchak, director of the Jr. High Band, directed the concert band for two selections.

Mr. Guisto said, "I feel that the concert was a musical and financial success. Words cannot express the feeling of appreciation toward the hosts and everyone who helped make the festival a success."

Visiting band members were guests at the homes of Windber band members and other residents who volunteered the use of their homes.

ACTIVITIES

The extra-curricular activities of a school often help determine the kind of students who leave that school. These activities play an important part in the social adjustment of the student. There is something for everyone if he can find the time without sacrificing his studies.

THESPIANS

The National Thespian Society is an educational organization, established for the advancement of dramatic arts in the secondary school. When a student is granted membership to this organization it is an honor or recognition for having performed meritorious work in dramatic arts. The Thespian pledge of membership places an obligation upon the student to assume greater tasks.

Thespian troupes do not mean the addition of another dramatics club, but the now existing dramatics club is recommended that the Thespian troupe constitute the inner circle of more experienced and interested members.

PRESENTING . . .

SPORTS

Pictured here are the athletes of our school. They have given their all for their team and their school. Athletics and the athletes play an important part in the morale of the school. And if they play the game fairly and try their best, the student body should back their team whether they win or lose.

The Windber Ramblers, under the coaching of Mr. Kaplan, seemed to get off on the wrong foot this year with a seven game losing streak. But these boys were not to be kept from being on the larger end of the score. After their first victory of the season, the Ramblers continued on an even keel for the remainder of the season. In Tri-County competition the Ramblers were able to record an 8 and 4 season with their last game being a victory over Conemaugh Township which insured the Blue and White third place in the final standings.

Even though a previous game may have found the Ramblers being edged out by the opposing team, you were able to notice the new spirit which the players displayed for the games at hand. Much of this spirit was due to the will power of the players themselves but a great deal of this spirit was given to the boys by coach Kaplan's encouraging drive. Although early season losses caused belief in some minds that a poor season was prevailing, the Ramblers were able to finish their season with an overall 10 and 12 record.

With the retiring of Mr. Kawchak, head coach of the Ramblers since 1948, Mr. John Lochrie stepped in to carry on the good work. One might say that Mr. Lochrie had to start from scratch in developing his team this season, for only two lettermen returned this year. Although handicapped, Mr. Lochrie was determined to do his best with the boys that he had. Under his guidance and the watchful eyes of his assistants, Mr. Freeman and Mr. Flori, the inexperienced Windber team began their 1961 season.

For the second consecutive season the Ramblers traveled to Washington to open their season only to receive their worst opening game setback in school history, 34-6. The Ramblers used an aerial attack to account for their lone TD in the third period. A pass from Tom Chuta to George Tobias netted a 51-yard gain into paydirt.

For the second time the Ramblers received the taste of defeat as Altoona handed Windber a 32-25 setback. Windber's scoring honors were shared by halfback Ron Rubal, who hit paydirt twice, fullback Joe Zepka, who scored one touchdown, end Tom Rosa, who scored on a jump pass, and a conversion by Steve

Kush.

Even though the Blue and White were now 0-2, they were determined to get into the winning column, which they did with a 20-12 victory over the Indiana Indians. George "Toby" Tobias scored on runs of 47 and 79 yards, while Joe Zepka scampered across the goal from the five yard line. Steve Kush collected two conversions—one by running, the other by a boot.

Playing their biggest game of the season, the Ramblers were unable to score against the hard-hitting Trojans from Johnstown, who squeezed out a 40-0 shutout. The win was mainly set up by costly fumbles, long runs, and pass interceptions.

Looking for revenge, Windber rapped Conemaugh Township for a 31-12 victory. Scoring laurels were divided between Ron Rubal and "Toby" Tobias with Rubal scoring twice and Tobias scoring three TDs.

The Chambersburg eleven managed to squeeze by Windber with a 14-12 victory. George Tobias, in a losing cause, scored on 13 and 45 yard jaunts.

The Ramblers were handed their fifth defeat by the Pittsburgh North Catholic Trojans, by a 41-6 score. "Toby" Tobias' 63 yard run managed to get Windber in the scoring column as all other drives were halted short of the goal.

Unable to get back on the winning road, Windber

again went down to defeat at the hands of Fort Hill, by an 18-7 score. The Ramblers put their 7 points on the scoreboard on a pass from Tom Chuta to Tom Rosa in the first period. After that, the Ramblers were unable to hit paydirt again.

To conclude their season, Windber was handed a 27-20 defeat by Bishop McDevitt. The Ramblers' scoring was accounted for by George Tobias' two TDs and one by Dale Oldham. Steve Kush converted 2 of 3 conversions.

With the close of this game came the close of a season which one may consider to be most unsuccessful, but every coach, no matter how good he is, has his successful seasons and also his off seasons. This being the first year at the helm, no one could expect a perfect season from Mr. Lochrie. He first has to get to know his boys and the boys also have to get to know him. The same goes for his assistants, Mr. Flori and Mr. Freeman, who aid him in his developing task. The developing of coordination of team and coach does not take one game. It takes many games in which the coach uses his mistakes to profit in the coming games. Yes, even though Mr. Lochrie's opening season does not show great success, Mr. Lochrie himself knows that his corrections of past mistakes and the willingness of his boys will bring about better seasons.

J.V. BASKETBALL

The Windber Jayvees with Mr. Freeman handling the coaching assignments competed in 22 games this season, winning 11 and losing 11. Having played these games the boys have received the experience and the know-how which will aid them as they begin their varsity season next year. These games have also given the boys experience with the plays of the opposition which will also aid them next season for many of the boys on the opposing teams this year will be bringing the opposition again next year.

Among their 11 victories was an edging 31-30 win over Johnstown Central. This game has been noted because it helped to raise the spirit and morale of the whole team in following games. Games like this are needed during a season for any basketball team which needs something to increase their spirit toward the game.

A black and white photograph of the exterior of Windber Area High School. The building is a two-story structure with a modern design, featuring large windows on the upper floor and a set of double glass doors on the ground floor. The doors are swung wide open, revealing a dark interior. The school's name is mounted on the wall to the left of the entrance. The foreground shows a paved area and a concrete curb.

WINDBER AREA HIGH SCHOOL

The doors are swung wide, it is time for us to go. Some may never return to these doors, but no matter where our road of life may lead, we will all look back and remember things which happened here. The faces will fade; the names will slip our minds; and the events will grow cloudy.

We on the *Stylus* Staff, hope that in the years to come, this book will help to refresh those memories, so that they will not pass completely from your minds.
